Dear Participant:

Past Chairman:

Arthur Roedel
2002

In 1986, a Mayor's Task Force on Substance Abuse originated with the mission to help reduce the incidence of drug and alcohol use in our young. Education and awareness have been the focal points of this program.

Arthur Roedel
2001

Each year the South Brunswick Municipal Alliance on Substance Abuse sponsors the **Charlene J. Austin Community Unity Day**. The emphasis of this event has been to disseminate data relative to the abuse of alcohol, tobacco, & drugs. The various entrants that attend and distribute information regarding this matter include, but are not limited to The Sheriff's Office of Middlesex County, *D.A.R.E.*, the South Brunswick Township Police Department, and the Fire Prevention Bureau.

Community Unity Day has grown over the years and attracts 15,000 residents who, in addition, also look forward to meeting the other participants. We have community service groups, schools, churches, local newspapers, entertainment, and carnival games, vendors of arts & crafts and food for sale.

In closing, I would like to borrow a saying from one of the members of our township committee; *"With your support, your insight and your participation all of us will bear testimony that together the whole is greater than the sum of its parts."*

Very truly yours,
